

Democratic Women of South Orange County

DWSOC 2017 ACTION COMMITTEES:

Community Events:

Research and inform of local events and opportunities at which the Democratic Women of South Orange County may have a presence (tabling). Arrange our table, booth or other contribution with event organizers and advertisers.

Fundraising:

We know money indeed makes the world go around. It also gets democrats elected. We need a dedicated group to make those calls and find new and inventive ways to raise funds so that we may support local qualified democratic candidates.

Local Like-Minded Club Outreach:

There seems to be a new group of passionate individuals forming groups every minute! We should be combining our efforts when appropriate to better achieve our goals. This group will identify, communicate and partner with local liberal groups.

Membership & Outreach:

Chairperson: Judy Jones

Help bring new members to the Democratic Women of South Orange County. Once they become members, find ways to engage our membership in events, meetings and projects.

Precinct Organization:

Want to get out in your neighborhood and rally the vote? This is your group. You will coordinate with the Democratic Party to inform neighbors about candidates and ballot initiatives. Meet your neighbors and make sure they are aware of ALL the candidates – not just the top of the ticket.

Student Scholarships:

Chairperson: Trudy Podobas

Develop, establish and communicate a complete student scholarship program for local high school politically active students. This will involve developing scholarship parameters, essay, qualifications, etc. Then communicating the scholarship offering to our high schools.

Voter Registration:

Chairperson: Joan Thompson

Want to register voters at your local market or shopping area? This committee is perfect for you if you wish to increase registered voters to create a more politically involved community. Let's turn this county blue!

Young Democrats

Chairperson: Madi Bauman

Create a solid outreach to our local high school and college democratic clubs. The goal is to get fresh young minds involved with the Democratic Women of South Orange County.

Hot Issues:

Want to change something in our local public education? Concerned about environmental issues such as the disposal of nuclear waste? Have a suggestion for local parks & rec? These are hot topic issues. Lots to do! This committee will most likely be divided into sub-committees to research and act!

Legislative Visits:

Chair: Kim Anderson

Want to visit your local congressman? Local assembly person or mayor? This committee will act to represent democrats in a respectful and organized manner.
